Google Page Speed

SEO Analysis for www.google.com

✓ Robots

"google.com"/robots.txt found.

This report checks for specific syntax parameters. If your robots.txt is functional and the installation is correct, please disregard the error.

To exclude directories from your site, the syntax should be:

*User-agent: **
Disallow: /cgi-bin/
Disallow: /tmp/

To allow all robots complete access, the syntax should be:

*User-agent: **
Disallow:

✓ Sitemaps

google.com/sitemap.xml found

This report checks for attributes present in manually generated XML sitemaps. Some webmasters and site owners implement tool generated sitemaps which may not comply with the attributes of this report. If your sitemaps are present and correctly installed, please disregard this error.

✓ WWW Resolve

Great! Your website with and without www redirects from one to the other.

(301 Permanent Redirect from either www or no www in the domain)

Type	URL	HTTP Code	Redirect URL
URL with WWW	http://www.google.com/302		https://www.google.com/?gws_rd=ssl
URL without WWW	http://google.com/	301	https://www.google.com/?gws_rd=ssl

Recommendations

Website Optimization

The items on this sheet are critical to making the website function the best way that it can. Fixing these is a critical first step to the site's success. We recommend that all of the items on this report be corrected as soon as possible.

Organic SEO

Running an organic Search Engine Optimization campaign will increase the website's visibility and traffic consistently. It will also maintain high Google rankings over a long period of time. We recommend starting a campaign immediately.

Local Marketing

If the business has a physical location and you want to attract more visits in the area, running a local marketing campaign is necessary. This puts your business on more maps and mobile devices in the area your customers are.

Social Media

A social media presence is necessary for all site's that support, nurture and communicate with the brand's community. We recommend you run a social media campaign to ensure the website gets all of the visibility that it can online.
