Since **date**, **Company Name** is a licensed mortgage banker, has been serving communities around the country. Mortgages are what we do, and as a result we have developed a wide range of mortgage programs.

As a Mortgage Lender, **Company Name** is an industry leader in mortgage financing. We have funded millions -to-billions as a mortgage banker – whether it will be from a first-time home buyer or for a second time home buyer loan. We will provide the perfect solution for you.

At the same time, we have control over the processing and underwriting of all our loans. This control allows us to use our discretion to approve the borrower. We have experienced staff members who are willing to give the time and effort necessary to make your mortgage process smooth as possible.

**Company Name** is a forward thinking company, with advanced programs. We have been able to significantly reduce the process involved in applying for a home loan. At **Company Name** we feel that the balance between personal service and technology will make your home loan process a satisfying and pleasurable experience.

Thank you for letting us be a part of your home buying purchase or refinance and we guarantee you the best imaginable service throughout the entire process.

Sincerely,
